

ECOLLEGE

ONLINE LEARNING

What is eCollege?

eCollege is a SOLAS-funded online training facility that provides a range of high quality interactive online learning courses, available any time through broadband Internet access, for those who wish to learn at their own pace.

What courses does it offer?

eCollege is a leading learning platform that delivers online training courses in business, project management, information technology, graphic design, web design, digital marketing, software development and basic computer literacy.

What does it cost?

Courses are temporarily free of charge as an additional support to those impacted by Covid-19 containment measures. Courses may benefit those already doing a FET course who would like to expand their learning, those who have recently become unemployed or had their hours reduced, and those wishing to upskill and reskill.

How do I apply?

Applicants must be over 16 at the date of application. While courses are tutor supported, prospective learners should be aware that a good deal of independent study is required to reach certification standards. Learners may apply via www.fetchcourses.ie, where a full list of available courses can be found by searching for the provider eCollege www.ecollege.ie
